Temple House of Israel Annual Dues Structure

2020

We have carefully developed a dues structure that we believe is fair and affordable.

Family: \$1075

Individual: 900

Student: 54

Affiliate: 100

(non-voting whose primary residence is greater than 100 miles from THOI)

THOI does not wish to turn away those interested in joining who feel that they need to request special financial consideration. Should you have financial considerations, following submission of your membership application, please contact the Temple's treasurer, Patty Sutker, at: Lpsutker@yahoo.com

Your financial needs will be considered in strict confidence.

THOI also respectfully asks that for those who may be able to contribute a little bit more, consider giving at least an additional \$300 annually to our building fund. Also, several generous congregants have created special funds to raise money for specific issues/causes, such as the Torah Fund or New Entrance Building Fund.

If you are interested in supporting those, please contact:

- Larry Sutker, President, at: ceolhs@gmail.com
- Brian Dettelbach, VP Membership, at: 78hoyabd@gmail.com
- Patty Sutker, Treasurer, at: Lpsutker@yahoo.com

We look forward to welcoming you into our friendly and spiritual community.
